Medical Assistance for Families/Maryland Children’s Health Program (MCHP)

The Medical Assistance for Families/MCHP program provides comprehensive medical coverage to income-eligible families, children and pregnant women through managed care organizations (MCOs). The program is for families with low to average incomes.

To find out if you are eligible for MCHP services, call the Anne Arundel County Department of Health at 410-222-4792.

For more information on the application process, visit the Department’s website at www.aahealth.org.

Health Care Enrollment Assistance Center

The Affordable Care Act (known as ACA or the health care reform law) makes it easier for everyone to get insurance and access to health care. You may be eligible for Medicaid or a free or low-cost health plan based on your income. Maryland residents are able to go to the Maryland Health Connection, Maryland’s health insurance marketplace, at www.marylandhealthconnection.gov, to determine their eligibility for Medicaid or private insurance.

Staff can help you find the best health care coverage options for you and your family.

Administrative Care Coordination Program (ACC)

ACC provides services to members in Medical Assistance (MA), or people who may be eligible for MA, to help them access their health care benefits, address concerns and provide needed resources.

Please call 410-222-7541 or 410-222-4238 to learn about your MA benefits, HealthChoice and other information.

Ombudsman

The Department of Health’s Ombudsman investigates and helps resolve issues that may arise between you and your HealthChoice MCO. The Ombudsman represents you and helps you:

- Know your rights and responsibilities
- Resolve disputes between you and an MCO
- Understand the services you are entitled to receive

Call the Ombudsman at 410-222-4380 for assistance.

Transportation

Medical Assistance for Families/MCHP enrollees who have an active Medical Assistance or HealthChoice card can receive a free ride to the doctor through the Medical Assistance Transportation Program if you:

- Have no other way to get to the doctor
- Have no friends or family who can give you a ride
- Are not within walking distance of your doctor
- Are not on a bus line
- Are physically or mentally challenged

To set up a ride to your doctor, call 410-222-7152 at least 48 hours before your scheduled appointment.

Dental Health Services

The Department provides dental services to County residents under age 21 on a sliding fee scale, as well as to residents under age 21 with Medical Assistance or in the Maryland Healthy Smiles Program.

For more information or to schedule an appointment, call 410-222-7138.

Women, Infants and Children (WIC)

If you enroll in Medical Assistance for Families/MCHP, you may also be eligible to receive WIC services. WIC provides free nutritious foods, nutrition education, breastfeeding support and resource referrals for pregnant, breastfeeding and postpartum women and children up to age 5. To qualify, County residents must meet income guidelines.

To make an appointment to apply for WIC, call 410-222-6797.

Healthy Start Home Visiting Program

Every baby deserves a Healthy Start! Nurses and social workers can meet with pregnant women and the parents of children up to age 2 to answer questions about pregnancy and child care.

Healthy Start staff can help you:

- Select an MCO
- Choose a doctor
- Take care of yourself when you are pregnant
- Keep your baby healthy and safe
- Understand how your baby grows and learns
- Get clothing, furniture and food
- Get family planning services

Healthy Start staff members also advise on health and social service programs in your neighborhood. They can help you receive the benefits and services that you and your child need. To request a home visit from a Healthy Start nurse, call 410-222-7177.
