**Strengthening Families Program
Facilitator Training**

Have you ever wanted to help families prevent unnecessary suffering related to substance abuse?

Have you ever wondered how you or your community group could make a positive impact on the lives of Anne Arundel County families?

This free two-day training for prevention service and youth/parent program providers focuses on the Center for Substance Abuse Prevention approved model program, Strengthening Families (SFP). Designed for parents and their children ages 6-17, SFP encourages family bonding, parental monitoring and family communication to prevent substance use among children and adolescents.
