Adolescent and Family Services

Anne Arundel County Department of Health's Adolescent and Family Services provides outpatient mental health and addiction services to County children and adolescents, ages 5 to 18, and their families.

410-222-6785 (Mental Health)

410.222.6725 (Addiction Services)

Adult Drug Treatment Services—Adult Addictions Clinic

Anne Arundel County Department of Health's Adult Addictions Clinic provides an outpatient treatment program for adults who are addicted to narcotic drugs such as heroin. The program offers methadone and buprenorphine in combination with individual, group and family counseling.

410.222.0100

Community Treatment Services (CTS)

Providing a network of private substance abuse treatment providers who offer various levels of treatment services at locations countywide. CTS offers assessments, referrals and DUI and Drug Treatment Court clinical care monitoring.

Treatment Referral Line: 410.222.0117 (Monday-Friday, 8:30 a.m.—5:00 p.m.)

Prevention and Education Services (PES)

Reducing drug and alcohol abuse among young people in Anne Arundel County through public health information and education. PES provides evidence-based programs to increase awareness of the risks of drug and alcohol abuse

410.222.6724

Recovery Support Services

The Anne Arundel County Department of Health's Recovery Support Services Program works with clients in substance abuse treatment to obtain the resources and skills they need to transition successfully from treatment to sustained recovery.
