Note: The data in this report are preliminary pending Office of the Medical Examiner review and may fluctuate week to week as toxicology reports are obtained.

Fentanyl Test Strips
Anne Arundel County Department of Health’s AA Power Program began distributing fentanyl test strips in the community in August 2019. To date, 1,164 strips have been distributed. This harm reduction effort allows people to test drugs for fentanyl’s presence and potentially helps to avoid overdosing. For information, call 410-222-6724.
